

# Balance of Trade Policy

## Policy Aims and Objectives

The policy aims to ensure that:

1. The market offers an affordable range of goods and services that support the needs of local people.
  2. The market offers a range of goods and services that attract visitors to the market and town centre.
  3. The market promotes local goods and services and showcases Nottinghamshire produce and identity.
  4. There is guidance for potential traders on available lines and goods and services that may offer sustainable and beneficial trading opportunities.
  5. The Town Clerk/Market Co-ordinator shall at all times have discretion to limit the number of stalls selling similar types of goods, depending on the size of the market in question.
- Notwithstanding that, the default policy:

Wednesday and Saturday Market (60-80 stalls)-	5. Stalls selling similar types of goods
Friday Market (30-60 Stalls)-	5. Fruit and Veg Stalls, 4. Clothing Stalls, 3. All other stalls selling similar types of goods.
Monday and Thursday Market-	No stall limits
Monthly Artisan Markets-	2 Stalls selling similar types of goods,
Specialist Market Events (mixed stalls)-	A maximum of 5 Stalls selling similar types of goods,

## Appeals
